

**** ATTENTION DEDICATED HUNTER ****

This is a reminder of some things you need to remember. It is also a questionnaire about your hunting experience during the 2002 season. It is very important that you **do not lose this paper**. You are required to return it by January 15, 2003 to the Dedicated Hunter Program Staff at the Salt Lake Office of the Division of Wildlife Resources. The address is as follows:

Division of Wildlife Resources
Attn. Dedicated Hunter Program
1594 West North Temple, Suite 2110
PO Box 146301
Salt Lake City, UT 84114-6301

In order to make an accurate assessment of the total harvest of deer by Dedicated Hunters, it is required that you submit this questionnaire regardless of whether you harvested a deer, or even hunted. Additionally, there are a few things you need to remember.

1. If you do not harvest a deer during the 2002 season, you **MUST** return your unused permit with your questionnaire. **DO NOT** cut off the tag and send only that in. A permit is only considered "unused" if the tag is still attached. Reattaching the tag in some way (stapling, taping, gluing) will not help you. Once the tag is cut off, the permit is considered "used".
2. If we do not receive a permit, with the tag attached, by January 15, 2003, you will be credited with one of the two deer you are allowed to take under the rules of the Dedicated Hunter Program. **AN UNUSED/UNCUT PERMIT IS THE ONLY PROOF OF NO HARVEST THE DIVISION WILL ACCEPT.**
3. If you harvest a deer, you do not need to send your permit back, but you **MUST** return this survey.
4. Take appropriate steps to ensure that the Dedicated Hunter staff at the Salt Lake Office receives your questionnaire and unused/uncut permit (if applicable) by January 15, 2003. The Utah Division of Wildlife Resources cannot guarantee delivery. Check with your local Postmaster for service.

After you finish hunting for the 2002 season, take a few minutes to fill in the following information.
